Student - Parent Handbook

IMPORTANT

It is understood that attendance at Andrew Jackson Academy is a privilege and not a right. Any student who does not conform to the standards and regulations of the institution may forfeit this privilege. Andrew Jackson Academy may request the withdrawal of any student or parent at any time, which in the opinion of the administration does not fit the spirit of the institution, regardless of whether or not he conforms to the specific rules and regulations.

We remind students that manners are simply an outward display of one's inner feelings toward others. As representatives of Andrew Jackson Academy, on campus and off, your deportment reflects on the Academy. Courteous behavior is expected.

Since a certain number of rules are necessary to maintain any institution, we request that you acquaint yourselves thoroughly with Andrew Jackson Academy's regulations and procedures as stated in this handbook. We further ask that you follow the spirit as well as the letter of these rules. The Head of School and faculty will apply the Academy's rules in a reasonable way. In turn, we expect from students a comparable degree of reason in following all the necessary rules. Please keep in mind that Andrew Jackson Academy reserves the right to deal with any breach of its regulations and procedures as it sees best.

This handbook was written to give parents and students an outline of the objectives, principles, and rules of our school. We ask that you keep this handbook in a convenient place so that you may use it for reference throughout the year. Please read this book in its entirety. Familiarity with the concerns of this book will eliminate much uncertainty and answer most of your questions. We wish for each of you a happy and successful year.

The Administration

Andrew Jackson Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, scholarship and loan programs, admissions policies, and athletic and other school-administered programs. Our faculty, staff and students will conduct themselves in a manner consistent with his or her God-created gender. It is our belief that God created us all perfect in His eyes.

Our mission is to provide high quality education and childcare in a safe, respectful and ethical environment that builds a foundation for life-long learning and prepares students for post secondary education. We want to educate the whole child spiritually, academically, athletically and socially to achieve their full potential.

Admission Policy

For students applying for grades 1 through 6, they must take an entrance test. Determination of acceptance will be based on the score of this test.

For students applying for grades 7 - 12, they must have a GPA of at least 2.5. This is determined by their transcript from their previous school.

An updated immunization record, a copy of the student's birth certificate and social security number must be on hand at the school before the first day of school.

Students who are applying must have a clean disciplinary and attendance record. This is subject for review by the Head of School or their designee.

3K - 6th grade dismissal at 2:55

7th – 12th grade dismissal at 3:05

Children should immediately go to their car at dismissal. They will not be allowed to play in front of the school after dismissal.

If your student has a sibling he/she is riding with in the high school, he/she must wait in his/her classroom until the 3:05 bell. He/She is not to go into the gym or lunchroom to wait. There are no adults in this area so Andrew Jackson Academy is not responsible for the students. If your student has a sibling that is practicing after school, he/she must sit in the lunchroom. Please note, these students are not supervised.

Tuition and Finances

The programs and activities at Andrew Jackson Academy are funded entirely by tuition, fundraisers and donations. The largest portion of income is tuition. Like you, we pay our bills monthly (including salaries). If we have a lull in the payment of tuition, we cannot pay our bills either. There are a few people whose late payment causes a constant cash flow crisis. If everyone paid his or her tuition on time, there would not be a crisis.

The Board of Directors policy is as follows: “For students to continue their studies in school, and to take final examinations and receive their report cards each nine weeks or have records transferred, regular payments must be made.”

We are well aware that we probably drive families crazy with our fundraisers and requests for help and money. Unfortunately, that is the price we pay for our children to attend school without fear of intimidation, to learn in small groups, to develop educationally where they are not just a number, and to be guided by adults who truly care about them.

The budget with which we operate is tight. Employees work for much less than they deserve. Parents have always been very cooperative and generous.

Annual Tuition: (Grades K5 - 12)

\$5,000 / year (One Child)

\$9,700 / year (Two Children)

\$12,700 / year (Three Children)

The fourth or more students are \$1,500 each. The student will still be responsible for class dues.

PreSchool (K-3 and K-4) Tuition: \$4,100.00 per year

Policy for Tuition Payments:

The following rules will apply concerning tuition payments:

1. Tuition is due by the fifteenth (15th) of the month.
2. If tuition is not paid after the first month, there will be a \$25 late fee.
3. If tuition is not paid for two months, a \$100 late fee will be imposed.
4. If tuition is not paid for three months, a meeting will be held with the parents and Head of School.
5. A \$30.00 fee will be charged for all returned checks.
6. All tuition/fees/monies owed must be paid in full from the previous year in order for athletes to participate in summer practices or any athletic event.
7. Returned check policy: After two (2) NSF's, checks will not be accepted from anyone in that family on any checking account for the remainder of that school term. Further payments will only be accepted in the form of cashier's check, money order, or cash. Returned check fees will remain at \$30.00. This policy is in effect for any school expenses (i.e. tuition, lunch, books, fundraisers, PTO, Booster Club, etc.) Penalties will revert to the original due date when the check has been returned for NSF.

Education Scholarship Trust Fund

If you were approved for the Education Scholarship Trust Fund, you will receive an invoice quarterly to upload to ClassWallet. Fees not covered by the ESTF include the following: class dues, lunch charges and sports fees.

Class Dues

Class dues are required for Grades 7 through 11. No class dues will be returned should a student decide to leave the Academy.

Grades 7 through 10	\$5.00 per month for 10 months (\$50.00)
Grade 11	\$10.00 per month for 10 months (\$100.00)

Class dues must be current to receive report cards each grading period. 12th and 11th Grade students **are required** to participate in all fundraisers.

Lunch

Students may bring their own lunch every day. We are implementing a new lunch ordering program online. Parents will have the ability to order and pay online. More information will be forthcoming.

Canteen stops between classes are prohibited except for getting water only. Students are not allowed in the canteen area.

Accreditation

Andrew Jackson Academy is a member in good standing of the South Carolina Association of Independent Schools, whose high Accreditation Standards we met. In February of 2025, Andrew Jackson Academy met all qualifications for accreditation.

Testing

All students are tested during the school year with a variety of recognized tests to determine their academic achievement and aptitude.

All 10th grade students are required to take the PSAT. Students in the 9th and 11th grade that are recipients of the ESTF are required to take the PSAT. 12th grade students who are recipients of the ESTF are required to take the ACT or SAT. This is done at the expense of the student/parent.

Course Load Requirements

Because Andrew Jackson Academy offers a variety of valuable electives that will be of permanent value to the student, students in grades 7 through 10 will be expected to take at least

six courses each academic year. Students in grades 11 and 12 are eligible for Dual Credit courses. Their course load is based upon needed courses for graduation. English 101, English 102, Math 111 and Math 112 are not available for a student to take until they meet all of Andrew Jackson Academy's required courses.

Students will be given until the first progress report to change a course. The approval of the teacher and the Head of School are required to make this change.

Requirements for Promotion

In the case of students who fail one or more subjects, promotion from grades 1 through 11 will be determined by satisfactory summer instruction at parents' expense and at an accredited institution. Summer instruction must be suitable in length and scope to the satisfaction of the Head of School.

Since reading, mathematics and English form the core around which knowledge is formed, these three essential courses must be passed to enable students to pass his/her grade.

B: 80 - 89 (Very Good)

C: 70 – 79 (Good)

Dual Credit Courses

USC Salk or Denmark Technical College

The Board of Directors encourages students, who qualify, to take college courses for units of credit. Courses may be offered through distance learning and cooperative agreements with the University of South Carolina at Salkehatchie. A college credit course/dual credit course will qualify as a “weighted course” and factored in to determine “Honors.”

A three-semester hour college course shall transfer as one unit unless otherwise designated by the State College or University. The numerical grade earned will translate as equal value in Andrew Jackson grading system.

To qualify to take college credit/dual credit courses, students in grades 10-12 must do the following:

1. Parental permission is required for students to sign up for dual credit course.
2. Students must have a 3.0 GPA.
3. Receive permission from the teacher who teaches that subject/subject area and Head of School.

Students will be limited to two classes per semester. If students take two courses there is no charge to the student. If the student elects to only take one course, there is a fee to the college which is the responsibility of the parents. This is in addition to Andrew Jackson Academy's tuition. Summer school classes will not be considered dual credit.

Andrew Jackson Academy owned Chromebooks will not be allowed to be taken home by any student. Dual credit students will have to purchase their own computer for use at home. Dual credit students may request permission from the office to bring their own computers to school. This does not include iPads.

Dual credit students will stay with their class during the day. They will sit in the back of the class and do their college work.

Appeals to the qualification requirements can be made to a "special appeals" committee. This committee will be a "standing" committee consisting of two teachers appointed by the Head of School and the Head of School. The decision of the committee will be final.

NCAA Initial – Eligibility Clearinghouse

The NCAA Initial – Eligibility Clearinghouse has approved the following courses for use in establishing the certification status of student-athletes from this school. NCAA regulations required each core course's content to be distinct. Therefore, all courses must contain material which is at least 75% unique from all other courses which a student-athlete wishes to use in certifying eligibility. Division I mathematics requirements for students attending college after August 1, 1996, stipulate at least one unit of mathematics must be at level 2. A level 2 mathematics core course is defined as geometry or a course for which geometry is a prerequisite.

The school reserves the right to require medical examination of any student. Attendance at Andrew Jackson Academy is a privilege. The privilege may be revoked if pregnancy, parenthood and/or marriage occur.

Permanent Records

A cumulative permanent record, including standardized testing scores, or each student's progress and behavior is kept on file in the Andrew Jackson Academy office. Parents are welcome to discuss such records with the Head of School. Recent Federal Legislation prohibits us from releasing any information kept on file without the parent's or student's (after he becomes 18 years old) written consent. Parents transferring students from Andrew Jackson Academy to other schools or requesting that records be sent to colleges, scholarship committees or elsewhere must accompany each request for transfer of records with the statement in this handbook signed and dated and must have all accounts paid up to date.

Student Activities

Student activities are essential to Andrew Jackson Academy's success because they create in the student a sense of belonging and of pride in himself and in the Academy. Therefore, the Administration urges all students to participate enthusiastically in extra-curricular activities.

Available activities: cheerleading, football, basketball (boys/girls), baseball, softball, volleyball and sporting clays. More will be available if interest warrants.

Overnight Trips

To qualify for overnight trips, a student must be passing all courses for all the completed grading periods.

Honors

Honor Classes

To qualify for an honors class, students must have an 87 average or teacher recommendation. Students can move classes until the first quarter progress report.

Graduation Honors

The four students having the highest GPA will be chosen as marshals at the end of the third nine-weeks.

Senior class Valedictorian, Salutatorian and all honor graduates shall be determined by the Administration at the end of the third nine-weeks. Only for final transcripts will the fourth nine-week grades be used. All grades will be transcribed into permanent folders when new students transfer into the Academy.

Student rank and Grade Point Average (GPA) at Andrew Jackson Academy are calculated based on the South Carolina Uniform Grading Policy (SCUGP). The ranking is based on all academic classes at the end of each academic year and includes the entire class (9-12) of diploma-seeking candidates. Class rank will be demonstrated on the official transcript of every student.

To be eligible for Valedictorian or Salutatorian honors at Andrew Jackson Academy, a student must attend four complete and consecutive semesters at Andrew Jackson Academy (Junior and Senior year). All other honors require two complete semesters at Andrew Jackson Academy.

To be a Senior Honor Student requires a 4.0 cumulative average.

A senior will be allowed to march in Graduation and Baccalaureate but will not receive a diploma in the diploma case if ***ALL TUITION AND OTHER DEBTS OR FEES ARE NOT PAID.***

A senior who has not passed all required courses will be eligible to march in Baccalaureate and Graduation, but his or her name will be listed on the program with an asterisk to denote that a certificate will be issued instead of a diploma.

Beta Club members and Student Council Officers must participate in all projects to remain eligible.

In order to be a member of the Senior Beta club, students must take at least 2 honors classes and have a 4.0 cumulative average.

Sports Code of Conduct

Andrew Jackson Academy supports the SCISAA Code of Conduct. Consult SCISA Blue Book for current rules and regulations. Andrew Jackson Academy has its own Code of Conduct that must be signed by parents/guardians of the athlete and the athlete before a student is allowed to play.

Andrew Jackson Academy Booster Club

Patrons of Andrew Jackson Academy have made great contributions to Andrew Jackson's Athletic Program through the Booster Club without whose help it would be difficult to maintain our sports program. We urge all patrons to join the Booster Club and to participate actively in all its activities.

All athletes will be required to pay an athletic membership fee to participate in any sports. A fee of \$75.00 must be paid for athletic participation in any sport. All athletes must have a physical form filled out to participate in sports. The physical is good for one year.

A grandparent add-on is available for Super Booster members for an additional cost of \$100. This card is not valid for playoffs and tournament games.

Attendance

One of the most important factors in achieving academic excellence is attendance. Students at all grade levels should strive for perfect attendance. Absences are always detrimental to a student's achievements; and students are expected to be in attendance with exceptions being made for illness, family emergencies, educational programs, and school-sponsored events. It is important to note that there is no possible way to substitute for a missed classroom experience. Whenever possible, please make dental and medical appointments after school hours or on Fridays.

A student shall have no more than 10 unexcused absences and 10 excused for the year. For an absence to be excused, students must have **written documentation signed by a physician or a parent**. In case of an extended illness, parents must contact the Head of School. Students have **one week** to turn in an excuse or the day will be set as Absent Unexcused.

After a total of 20 unexcused absences, zero (0) credits will be earned for that course or grade.

After 5 unexcused absences, a parent/Head of School conference will be held.

Students must be present for four (4) periods in order to participate in any extracurricular activity that calendar day. Exceptions must have prior approval of the Head of School.

In grades 1 – 6, attendance will be based on daily attendance. Students must be present at least half of the day (until 11:30 am) in order to be counted present.

In grades 7 – 12, attendance will be kept by each teacher by class period. Students must not miss a class in excess of 10 unexcused times or they will have to take the exam. Therefore, it is very important that valid excuses are presented for early dismissals and later arrivals as well as “all day absences.”

Students with absences will be allowed to make up work within one week of return to school. It is the responsibility of the student to seek and secure all assignments and materials, which were missed during the absence. All assignments which were announced prior to the absence are due when the student returns.

Students may not leave school and return to campus the same day without a doctor's excuse dated that day (i.e. lunch, hair appointment, etc.).

Tardies

Students are expected to be early or on time for each scheduled class. Students will be tardy if they arrive after 8:00 A.M. for the school day. Students who are tardy for school must report directly to the office. The parent/guardian must sign the student in with the office upon arrival. If a student is a driver, he or she must go to the front office to sign in.

Every 5 tardies is considered one absence. It will be noted in our FACTS system. After 5 tardies, a parent will be contacted. After 10 tardies, there will be a conference with the student, parent and Administration.

If any tests are missed as a result of tardiness, such test must be taken that day or the student will receive a zero (0).

Exams

Attendance during exams is most important! All upper school students (grade 7 – 11) must take first semester exams. Any students having a 90 average or above in a course the second semester may be allowed to exempt the final exam at the discretion of the teacher. Students will be allowed to make up an exam only in cases of documented illness, death in the family or prior approval by the Head of School. Students who receive more than 10 absences will lose this privilege for that class.

Classroom Discipline

Teachers are expected to maintain discipline in the classroom. Students shall be polite, courteous and shall obey all rules and regulations. Arrogance, disorderliness and disrespect will not be tolerated.

Chain of Command

Private school boards govern the institution's strategic direction, finances and the hiring of the Head of School; they do not manage day-to-day operations. Chain of command requires parents to address issues directly with teachers and administration. Our school board meetings are generally closed to the public and parents; however, if it is necessary to meet with the Board of Directors, a written request must be made to the Head of School or Board Chairman. If the written request is granted, the parent will be given a maximum of 10 minutes at the next months' meeting or in a timely manner based on circumstances.

Cheating, copying another student's work, using unauthorized assistance, plagiarism, or allowing others to copy assignments is considered academic dishonesty and will not be tolerated. When academic dishonesty occurs, appropriate consequences will be determined by the teacher and administration. These may include receiving a reduced or failing grade on the assignment, completing an alternate assignment, loss of privileges, parent notification, or additional disciplinary action. Our goal is to help students develop strong character by learning the importance of honesty, accountability, and doing their own work. We believe honesty is a reflection of Christian character and is essential to academic success.

Andrew Jackson Academy believes that all students have the right to a safe and healthy school environment. We have an obligation to promote mutual respect, safety, and considerate behavior among the students, faculty, staff and volunteers. Faculty members or students shall not bully or intimidate any student through words or actions. Such behavior includes but is not limited to direct physical contact, verbal assaults, and social isolation and/or manipulation repeatedly.

All bullying will be reported to the office. A meeting will be held with the parents, teacher and Administration. If this unwanted behavior does not cease the matter will be brought before the Board of Directors where the child will be recommended for expulsion.

Right to Search

Andrew Jackson Academy reserves the right to search the person, property or automobile of an Andrew Jackson student on campus or attending a school sponsored event any time there is a reason to believe that the student may be concealing illegal or potentially dangerous objects, instruments, drugs, chemicals, or other substances. It also reserves the right to confiscate any objects, instruments, chemicals, drugs, substances it believes to be illegal or potentially dangerous. This right is reserved to protect the student body at large and will be employed with discretion. Attendance at Andrew Jackson Academy is contingent on the students' and parents' agreement to Andrew Jackson Academy's right as stated above.

Use of Cell Phones/Smart Watches and other Communication Devices

We are living in an age of technology with devices that can do almost anything. Due to this, we find it necessary to implement some rules and regulations governing their use. Students are allowed to bring cell phones and/or smart watches on school property, but they are to be turned into their homeroom teacher upon arrival. If a teacher or staff member sees or hears a device, it will be confiscated and sent to the office. The device may be picked up at the end of the day. On the first offense, the student must pay \$10 to get his/her cell phone back. On the second offense, pay \$25 and turn in the phone to the office everyday. On the third offense, a conference will be held with the administration and parent.

Dress Code

Students will show pride and moral consideration for themselves and their school by having their dress and appearance in accordance with acceptable standards.

Extreme styles of dress and grooming will be discouraged. For safety and health, shoes will be worn at all times. We encourage the wearing of athletic style shoes for safety and playing on the playground and PE classes. Boys will wear a shirt at all times. All other students may wear conservative "walking" shorts. If students abuse these rules, disciplinary action will be taken and the privilege of wearing shorts will be taken away from that student for the remainder of the school year.

1. Shirts must be past the waistline. No midriiffs showing at any time.
2. All garments (miniskirts, dresses, skirts, skorts, and shorts) should be below your fingertip and have a 7" inseam for males or females. No cheer shorts. This includes all school functions on campus and off campus, including field trips.
3. Pants should fit reasonably - - not too tight and not too loose.

4. Leggings may be worn but only when paired with a tunic, dress or oversize top that extends below the hips and backside. An appropriate shirt will be provided for the student to wear if this is not followed. You will not be allowed to go home.

If the violation continues, it becomes a disciplinary problem and will be handled as such according to disciplinary procedures.

Note: Cheerleaders WILL NOT be allowed to wear their uniforms during school time.

Prom Attire Requirement

The Junior/Senior Prom is a formal occasion and we understand dress attire is different. Female students/dates may be allowed to wear spaghetti straps or strapless only for this occasion. All male adult attendees to the prom will be required to wear a coat, dress shirt and tie. This does not mean a casual shirt and pants/jeans. For middle school prom attendees, dresses must be below fingertips and follow all other rules for Junior/Senior Prom.

Emergency Care

Parents are hereby notified that Andrew Jackson Academy does not have a school nurse or infirmary and is therefore unable to provide any professional medical treatment to ill or injured students.

The procedure for caring for sick or injured students is as follows:

1. The teacher will remain with the injured student (if he/she is unable to be moved) and send for the Head of School or a member of the Office Staff.
2. If a student can be moved, he/she will be brought to her/her class or taken to the office immediately.

3. The Head of School and/or a member of the Office Staff will determine the procedure from this point.
4. The Administration and/or a teacher will contact the parents if it is deemed necessary. If it appears that non-professional care will remedy the situation, this will be provided (Band-Aid's, etc.)
5. The responsibility for getting the student home must be assumed by the parents.
6. If contact with the home cannot be established immediately when a serious accident occurs or when a student becomes alarmingly ill, medical services will be summoned or an ambulance will be called to take the student to the nearest hospital or doctor available.
7. All students must have a signed Medical Information Record on file in the school office.

Student Accident Insurance

Every student at Andrew Jackson Academy will be covered by accidental insurance and will be covered for sports activities, practice, travel to and from school for sponsored events, etc. When an accident occurs, report it to the office so that forms can be filled out and sent home to the parents to be completed and sent to the insurance company.
